

# No-Churn Coffee Ice Cream

Makes: 2 pints

Prep Time: 5 minutes

Total Time: 6 hours

1 & 3/4 cup + 2 tbsp heavy cream, well-chilled

1 14-oz can sweetened condensed milk

3 tbsp instant espresso powder

3 tbsp espresso liqueur such as Kahlúa

Whisk all the ingredients together just until the whisk leaves trails of soft peaks in the bowl, about 2 minutes, and you have a gorgeous, caffe-latte-colored airy mixture.

Fill two 1-pint airtight containers or a loaf pan with cream mixture, and freeze for 6 hours or overnight. Serve straight from the freezer.
