

# Peach Lemonade

Makes: 8 servings

Prep Time: 10 minutes Cook Time: 10 minutes

Total Time: 20 minutes plus cooling time 20 minutes

## Ingredients

- 3/4 cup honey
- 5 cups water (divided)
- 3 heaping cups chopped peaches, skin on (from 4-5 medium peaches)
- 1 cup freshly squeezed lemon juice (from 5-6 lemons)
- Sliced peaches and/or lemon wheels, for garnish

## Instructions

To make a honey simple syrup, in a saucepan over medium-high heat, combine the honey and 1 cup of water. Stir to dissolve the honey, then lower heat to medium.

Add the chopped peaches and bring to a simmer. Simmer the peaches for 10 minutes, stirring occasionally and mashing with the back of a wooden spoon to release their juices as they cook down. Cool. After 10 minutes, remove the pan from the heat and let it cool to room temperature, then strain the mixture through a mesh strainer into a mixing glass.

In a large pitcher, combine the cooled peach honey syrup, lemon juice, and remaining water (4 cups to make 8 drinks). Stir gently to combine. Serve with sliced peaches and lemon wheels over iced filled glasses.
